

ELECTRONIC TRANSFORMERS

ET Range transformers

List no	Code	Description *
ET060/D	4104.00	20-60W pre-wired dimmable electronic transformer
ET105/D4	4106.00	35-105W pre-wired dimmable electronic transformer

*2 leads on secondary side

TM Range Transformers

List no	Code	Description
TM060/D3	4204.00	20-60W dimmable electronic transformer terminated
TM105/D3	4206.00	35-105W dimmable electronic transformer terminated
TM150/D3	4209.00	35-150W dimmable electronic transformer terminated
TM200/D4	4211.01	60-200W dimmable electronic transformer

ET RANGE TRANSFORMERS

- fully dimmable with standard resistive load dimmers
- low audible noise through dimming range
- excellent voltage regulation
- dual stage transient protection
- light weight
- 5 year guarantee
